

NZ ROOTS

Grounded in New Zealand

THIS IS WHERE OUR STORY BEGINS.

Before the travel plans, worldschooling ideas, and dreams of living globally, there was home.

Wide open skies, barefoot childhoods, bush walks, beaches, family dinners, and a slower way of life rooted in connection and nature.

Our NZ roots shape everything we value.

“ Freedom isn't always about going further. Sometimes it's about creating a life that feels more aligned, intentional, and connected to what matters most. ”

Home is more than a place. It's a way of living.

OUR FOUNDATIONS

WHAKAPAPA
Knowing who we are, where we come from, and our connection to land, people and place.

MANAAKITANGA
Caring for others, generosity, hospitality and building strong relationships.

KAITIAKITANGA
Guardianship of the land, ocean, waterways and all living things. Respect, protect, restore.

These values live in us.

SUMMERS AT PATAUA

Six-week summer holidays that shaped who I am today.

- ✓ No power.
- ✓ Isolated.
- ✓ Row across the channel.
- ✓ Long gravel roads.
- ✓ You stayed. You slowed down.

And life felt fuller.

A DIFFERENT WAY OF LIVING

My auntie lived simply and was almost completely self-sufficient.

- Vegetable gardens
- Kai moana, fish & shellfish
- Fruit trees & orchards
- Everything grown, gathered or caught
- Ducks & chickens
- Needed very little from the outside world
- Fresh eggs daily
- Richness in simplicity
- Free-range animals

A sack of flour every now and then. That was about it.

Grow.

Care.

Gather.

Live.

BAREFOOT FREEDOM

We woke with the sun and adventured all day.

- ✓ Fishing
- ✓ Exploring
- ✓ Swimming
- ✓ Climbing
- ✓ Collecting eggs
- ✓ Bush, swamp, estuary, dunes, forest & coastline

So much to explore.

Childhood was our classroom.

WHAT WE LEARNT WITHOUT EVEN REALISING

- Curiosity
- Independence
- Problem solving
- Respect for nature
- Confidence
- Imagination
- Resilience

No schedules. No endless notifications. No pressure. Just freedom. Real freedom.

THE MOANA & THE LAND WAS LIFE

- Tides, weather and moon cycles mattered
- Birdsong meant something
- The estuary changed daily
- The ocean could be calm or wild
- We learnt to observe, listen and adapt
- Respect came naturally

WHAT WE CARRY FORWARD

These values guide the life we are building for our family.

SLOW LIVING
Choosing presence over pressure.

WORLDICHOOLING
Learning from the world, everywhere.

NATURE
Our greatest teacher.

SIMPLICITY
Less clutter. More meaning.

INTENTIONAL FAMILY LIFE
Connection is our priority.

GLOBAL FREEDOM WITH GROUNDED ROOTS
Explore the world. Stay grounded in what matters.

WHAT WE WANT FOR OUR CHILDREN

- Presence
- Community
- Adventure
- A relationship with nature
- Curiosity
- A sense of belonging
- Connection
- Freedom to imagine, explore and grow
- Simplicity

Pieces of the childhood we had. A foundation that lasts a lifetime.

LIFE ROOTED IN MEANING

- Wealth isn't always measured in money.
- Children thrive with freedom and nature.
- Community matters.
- Simplicity can be deeply fulfilling.
- Rich lives are built slowly and intentionally.

No matter where life takes us—those roots travel with us. HOME ISN'T JUST A PLACE. IT'S A WAY OF LIVING.

WHEREVER WE GO, NEW ZEALAND WILL ALWAYS BE PART OF OUR FOUNDATION.

It's where our roots are.

And those roots travel with us everywhere.
