

Sovereignty Quick Reference

Personal autonomy and holistic self-care

The Unbordered Family

Meaning

- Sovereignty is taking responsibility for your body, mind, energy, money, time, information, boundaries, and choices.
- It is about progress, presence, and making conscious choices every day.

Practical Steps

- Diet and health: nourishing, ethical, minimally processed food and hydration.
- Energy and movement: daily movement, sunlight, sleep, clean water, and breath.
- Mindful spending: align money with values, experiences, giving, and long-term plans.
- Boundaries: teach and model emotional and physical safety.
- Technology and media: curate what you consume, set screen limits, and protect presence.
- Conscious choices: pause, reflect, choose from love not fear, and lead by example.

Daily Check-In

- Did I nourish my body?
- Did I move?
- Did I honor my boundaries?
- Did I spend in alignment?
- Did I limit mindless screen time?
- Did I connect and reflect?

Remember

- We are the example. Our children are watching.
