

Worldschooling Quick Reference

Learn. Explore. Grow. Together.

The Unbordered Family

What it is

- A family learning rhythm built around real-world experiences, travel, culture, nature, community, and reflection.
- Children learn through exploring, doing, documenting, connecting, and growing confidence.

Core rhythm

- Explore: discover new places and ask questions.
- Experience: hands-on projects, markets, cooking, hikes, water activities, workshops.
- Reflect: journals, photos, videos, discussions, and creative storytelling.
- Connect: local people, language, culture, community, and nature.
- Grow: independence, adaptability, empathy, and lifelong learning.

Green School Bali highlights

- Bamboo campus and nature-based learning.
- Sustainability, project-based learning, creativity, leadership, and community.
- Best explored through admissions, short terms, or trial experiences.

Tools

- Journals, learning maps, guided meditations, project planners, photo diaries.
- Apps: Khan Academy Kids, Kids World Cultures, Pok Pok, Worldreader, Read Along, Khan Academy.

Tips

- Start small with a short term or one-month project.
- Join other worldschooling and expat families.
- Balance travel, learning, rest, and family rhythm.
- Curiosity is the compass. Experiences are the lessons. Connection is the foundation.
